Issue Status

The 'Transparency and End of Life (EOL) Planning' special session group has completed the solution development phase, and is awaiting a vote on all proposed packages at the May 28, 2020 MRC meeting.

Target Completion

Should any package(s) pass the May 28th MRC sector-weighted vote, the highest ranking package will return to the special session group to draft / revise supporting governing document language. The group is targeting a vote on any such governing document language at the June 18, 2020 MC meeting.

Progress Update

The MRC special session group met on May 15, 2020. During this meeting, two solution package changes were announced including the withdrawal of Package B and a change to Package C. The changes can be found within the posted ['Options and Packages Matrix'](#). The group also reviewed draft language required to support Packages A and C.

If necessary, the next MRC special session is scheduled for June 5, 2020.

Action Requested (if necessary)

The MRC will be voting on Packages A and C at the May 28, 2020 MRC meeting.
