Gross Transmission Plant is that identified on page 2 line 2 of Attachment H-21A.

Net Transmission Plant is that identified on page 2 line 14 of Attachment H-21A.

Project Gross Plant is the total capital investment for the project calculated in the same method as the gross plant value in line 1 above. This value includes subsequent capital investments required to maintain the project in-service. Project Net Plant is the Project Gross Plant Identified in Column 3 less the associated Accumulated Depreciation

D Project Depreciation Expense is the actual value booked for the project and included in the Depreciation Expense in Attachment H-21A page 3 line 12
