CT Rule

- **Prior to Nov 1, 2022, CTs were always made whole to actual MW (CT rule).**
- **All other unit types are made whole to the lower of actual MW or desired MW.**
- **The CT rule was eliminated effective Nov 1, 2022.**
- **Starting Nov 1, 2022, all units are treated the same.**

CT Rule Removal Impact

- The IMM estimated a reduction of \$6.2 million in uplift payments from Nov 2022 through Aug 2023. The reduction is equal to 7.8%.
