

Day-Ahead Market Results Posting

Todd Keech
Markets Applications

- Day-ahead market results are available in several PJM systems
 - Markets Gateway
 - Data Miner
 - PJM.com
 - eDataFeed / Data Viewer
- Prior to 4/1/2016 - Day-ahead results were made available in all systems at 16:00
- After 4/1/2016
 - Day-ahead results are made available immediately
 - Data transfers between PJM systems cause day-ahead results to become available in each system at different times
- Review and gather feedback on PJM recommendation to alleviate data availability concerns

- Establish a firm data posting sequence
 - Day Ahead Market results will be available in the following order:
 1. PJM.com
 2. Markets Gateway
 3. Data Miner, eDataFeed, Data Viewer
 - Implementation date – Q1 2017
