

# Intraday Offers

Kim Warshel

- In June 2015, FERC established a FPA section 206 proceeding in Docket No. EL15-73-000
- PJM made subsequent compliance filings detailing plans to allow market participants to submit day-ahead offers that vary by hour and to update their offers in real time, including during emergency situations
- Detailed market rule discussions occurred in the Generator Offer Flexibility Senior Task Force in 2015

- PJM product testing of the Intraday Markets Gateway release is in progress and will continue through Dec. 14th
- On track for December release to new Intraday Train environment
  - Dedicated environment separate from Production Train
    - Targeting Monday, Dec. 19 for release
