

# Day-Ahead Market Results Posting

Gerry McNamee  
Markets Applications

- Day-ahead market results are available in several PJM systems
  - Markets Gateway
  - Data Miner
  - PJM.com
  - eDataFeed / Data Viewer
- Prior to 4/1/2016 - Day-ahead results were made available in all systems at 16:00
- After 4/1/2016
  - Day-ahead results are made available immediately
  - Data transfers between PJM systems cause day-ahead results to become available in each system at different times

- Establish a firm data posting sequence
- Day Ahead Market results will be available in the following order:
  1. Simultaneously available on Markets Gateway and PJM.com
  2. Data Miner, eDataFeed, Data Viewer
- No changes needed by participants
- Implementation date – Q2 2017
