Special Planning Committee Sessions identified the following needs

### Tagging

Topic tracking through keyword searches

The screenshot shows a form for creating a new post. At the top, there is a dropdown menu labeled "Post To" with "RTEP" selected. Below this is a text input field for the "Discussion\*" with the text "Next Proposal Window". Underneath is a "Details" section with a larger text area containing the question "When will PJM planning be opening the next RTEP first proposal window of 2017?". A rich text editor toolbar is visible below the text area. At the bottom of the form, there are two tags: "RTEP" and "Proposal Window", followed by an "Add Topic" button. At the very bottom of the form are "Cancel" and "Ask" buttons.

### Security

CEII/CIP information is kept confidential and secure

### Alerts and Notifications

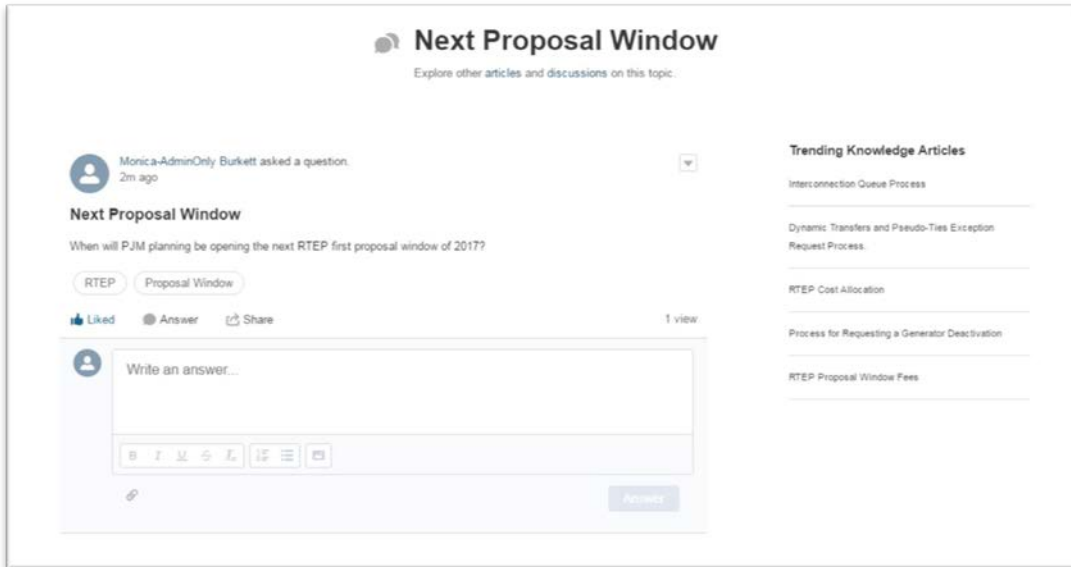

Follow topics of interest, receive updates, and enhance awareness

The screenshot shows the RTEP forum page. At the top, there is a navigation bar with a "Topics" dropdown. The main heading is "RTEP" with the subtitle "Process" and a description: "A place where you can easily find solutions and ask questions". Below this are tabs for "Discussions" and "Articles". A "Start A Discussion" button is located on the right side. The main content area shows a "Top Questions" dropdown and a list of questions. The first question is "Next Proposal Window" by "RTEP — Monica-AdminOnly Burkett · 1m ago", with 1 eye icon, 0 thumbs up, and 0 thumbs down. On the right side, there is a "Following" section with a checkmark and a mail icon. Below that is an "EMAIL NOTIFICATIONS" section with a checkmark and a mail icon, and a "Never" option with a tooltip that says "Click to have Email on Every Post". At the bottom right, there is a small note: "Dynamic Transfers and Pseudo-Ties Exception".
