

**PJM Draft JCM Work Plan for Stakeholder Discussion**

**Key:**

- ◆ Bi-Monthly JCM Meetings
- ★ Tariff/JOA Filing if Needed
- Completed initiative - ongoing updates as necessary
- ◆ Decision point at which need for further work on this initiative will be determined

Blue Bar items are JCM process; Green bars are individual RTO stakeholder processes; purple bar represents implementation phase for respective process change. Orange bars are contingent on the Capacity Deliverability fact-finding resulting in identification of issues that are determined to be cost-beneficial to resolve.

**Assumptions:**

- MISO and PJM assign sufficient resources to ensure plan is achievable.
- Stakeholders are engaged and are providing feedback through the Task Team and JCM meetings.
