

Issue Charge – SR Conflict for Demand Response

Issue Source –

The issue source is an unintended conflict of new 30 minute notice requirement for Emergency Load Management with hourly Synchronous Reserve Obligations.

Stakeholder Assignment-

The issue should be considered by the MIC for development and review of an appropriate solution.

Key Activities:

1. Provide education on SR from DR processes.
2. Consider how conflicting dispatch instructions should be resolved
3. Recommend changes to manuals and documents to effectuate resolution.

Expected duration of work:

Work should be completed prior to June 2015. Tariff changes are not anticipated

Decision-Making Method

The decision making method for the issue should be Tier 1, consensus (unanimity) on a single proposal (preferred default option), or Tier 2, multiple alternatives.
