

**Market Settlements Subcommittee  
Conference Call  
March 17, 2016  
1:00 p.m. – 4:00 p.m. EST**

## Administration

PJM reviewed the Anti-Trust Policy, Code of Conduct and Media Participation Policy and performed roll call. The Subcommittee approved the minutes from the February 18, 2016 MSS meeting. Due to conflicts, the June 16, 2016 MSS meeting has been moved to June 23, 2016.

Mr. Nick DiSciullo, PJM, provided an update on the InSchedule From/To Date change, which was released to the Sandbox environment on March 16, 2016 and Production on March 22, 2016.

Mr. Stan Williams, PJM, provided an update on a recent request from the FERC Office of Enforcement, which has asked PJM to start providing informational updates whenever a billing settlement adjustment, which is not of recurring nature, is processed.

## Working Issues

### 1. Third Settlement (“Settlement C”) Business Process

Mr. Ray Fernandez, PJM, reviewed the Settlement C Theme poll results. The purpose of the poll was to determine whether or not the Subcommittee wants to move forward with the Settlement C issue, and if so, provide the package owners and Subcommittee members information on where interest lies for the various design components. The poll results showed a majority support for maintaining status quo over pursuing a solution to the Settlement C problem.

The results of this poll and the previous Settlement C Package Support poll will be presented at the April 6, 2016 MIC meeting. Emails related to Settlement C should be sent to [mss@pjm.com](mailto:mss@pjm.com).

## Miscellaneous Settlements Items

Mr. Sean Flamm, PJM, discussed the upcoming production releases of three new Load Management Compliance Penalty reports, and recent name changes to Billing Line Items 1660 and 2660. Detailed report and BLI documentation was emailed to the MSS distribution list on March 3, 2016. The new reports will be released to the production environment on March 24, 2016.

## Future Agenda Items

Participants will have the opportunity to request the addition of any new item(s) to the agenda of a future meeting.
