

# June 1<sup>st</sup> ARR Ownership Reassignments

Mike Borradaile  
Senior Analyst, PJM  
Market Settlements Subcommittee  
May 20, 2016

## What PJM Settlements needs from members for the upcoming June 1<sup>st</sup> processing day as it pertains to ARR:

- Known Modeling Changes that affect ARRs
- List of Directed Transfer Requests (dating back to 2/29/16)
- Continued cooperation and quick responsiveness if we reach out to your organization with additional questions in the days immediately following June 1<sup>st</sup>

This information ensures that PJM can accurately maintain and process the previously selected ARRs for an organization.

Please feel free to reference the April 2016 MSS material regarding ARR Ownership Reassignments for additional information on the ARR Daily Reassignment Process and the June 1<sup>st</sup> implications.
