

**Resource Adequacy Analysis Subcommittee
Conference Call/WebEx
June 24, 2016
9:00 a.m. – 11:00 a.m. EST**

ADMINISTRATION

Mr. Falin opened the meeting and reviewed the agenda. Mr. Quevada performed roll call. The meeting minutes from the May 31, 2016 meeting were approved and will be posted as final.

2016 RRS LOAD MODEL ASSESSMENT

Mr. Rocha presented detailed results of analysis performed by PJM staff regarding the selection of a load model time period for both PJM and the World regions. The analysis focused on the 2020/2021 Delivery Year and followed the procedure approved by the Planning Committee at its July, 2009 meeting.

PJM recommended a 10 year load model based on the years 2003-2012 for use in the 2016 RRS Base Case. PJM also recommended that the World peak be switched to a different July week so that PJM and World peak on the same month but not on the same week. Following discussion, the RAAS unanimously approved the 2003-2012 load model for use in the 2015 RRS Base Case.

FUTURE MEETING DATES

September 9, 2016	9:00 a.m. – 11:00 a.m.	PJM Conference and Training Center
