Total Units as of 12/21/2015	Wanted to Participate	Declined to Participate	Did not Respond	Additional Eligible Units (GO to confirm participation)
391	139	93	140	19
39347	15,403	7,687	12,929	3,328

- Due to mild weather all tests canceled for remainder of this week
- PJM will extend testing into Jan 2016:
  - Tests will be scheduled through the first week of Jan 2016
  - PJM will consider extending tests beyond first week of Jan 2016 until:
    - First significant cold weather period occurs, or:
    - Total tested MW amount exceeds total tested MW amount from 2014
