Manual 01: Control Center Requirements
Attachment A: Information Access Matrix

Attachment A: Information Access Matrix

The following Information Access Matrix lists each of the major PJM services that affect PJM Members. It differentiates these services by PJM member type and by information access method. This Information Access Matrix should be considered as a rough approximation only. The PJM Customer Relations and Training Department is available to provide more specific information concerning PJM services and access methods.

- Add language to M-1 Attachment A indicating that it is the data specification and the method PJM the information in
- Include the mutually agreeable format and security protocol in M-1 Attachment A
- Add a process for resolving conflicts in M-1 Attachment A
- Review and revise Attachment A: Information Access Matrix as needed
