PJM Interconnection, L.L.C.
Docket No. ER15-591-000

Issued: 1/16/15

PJM Interconnection, L.L.C.

Audubon, PA 19403

Attention: James M. Burlew
Counsel

Reference: Revisions to Confidentiality Provisions

Dear Mr. Burlew:

On December 5, 2014, PJM Interconnection, L.L.C. (PJM) filed revisions to the Amended and Restated Operating Agreement revising its confidentiality provisions.¹ PJM states that the proposed revisions will allow PJM to provide certain real-time generator information to PJM transmission owners without a generator owner’s written authorization. PJM explains that, while transmission owners currently have the ability to obtain real-time generator information from PJM, the process for doing so is inefficient and time consuming.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307, your submittal is accepted for filing, effective February 5, 2015, as requested.

However, PJM must make a compliance filing to correct a typographical error in one of its tariff records within 15 days of the date of this order. The last sentence of

¹ PJM Interconnection, L.L.C., Intra-PJM Tariffs, 18.17, OA 18.17 Confidentiality, 6.0.0.
section 18.17.7 (Disclosure of Generator Data to Transmission Owners) subsection (b) contains a typographical error. The end of the last sentence should read “…except as permitted under this section 18.17.7 of this Agreement.” instead of “…except as permitted under this section 18.7.7 of this Agreement.” Accordingly, PJM is required to file a revised tariff record to correct the error within the time frame specified above.

The filing was noticed on December 8, 2014, with comments, interventions, and protests due on or before December 26, 2014. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2014)), to the extent that any timely filed motions to intervene and any motion to intervene out-of-time were filed before the issuance date of this order, such interventions are granted. Granting late interventions at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against PJM.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Daniel Nowak, Acting Director
Division of Electric Power
Regulation-East
