Dear Mr. Kaplan:

On April 9, 2015, you filed, on behalf of PPL Electric Corp. (PPL), revisions to Attachment H-8G of the PJM Interconnection, L.L.C. Open Access Transmission Tariff (OATT). You state that the revisions pertain to the Post-Retirement Benefits Other than Pension (PBOP) expense contained in PPL’s cost-of-service formula transmission rate, which will be reduced by $8,510,033. PPL also seeks to make a ministerial change to correct a typographical error in Schedule 9 of its Formula Rate.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. §375.307, your submittal is accepted for filing, effective June 1, 2015, as requested.

The filing was noticed on April 10, 2015 with comments, interventions, and protests due on or before April 30, 2015. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2015)), to the extent that any timely filed motions to intervene and any motion to intervene out-of-time were filed before the issuance date of this order, such interventions are granted. Granting late interventions at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against PPL.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Daniel Nowak, Acting Director
Division of Electric Power
Regulation – East
