

CIFP – MOPR Poll Results

Dave Anders, Director –
Stakeholder Affairs

CIFP – MOPR

April 20, 2021

- To gather stakeholder perspectives regarding potential design considerations for developing a solution to address the Minimum Offer Price Rule and its future application in the capacity market in order to inform PJM prior to PJM developing its Critical Issue Fast Path Stage 1 proposal.

- A total of **258** stakeholders
 - Voting Members: 54
 - Affiliate Members: 185
 - Ex Officio Members: 5
 - Non-Members: 14

- Thinking about the discussion at the April 9, 2021 CIFP, please provide comment regarding the following topics and the discussed approaches, and how they should be considered in developing a solution to address the Minimum Offer Price Rule and its future application in the capacity market. Please provide any other approaches that may be considered. (Open text box following each)
 - Topic 1 – What are some potential indicators of intent and ability to exercise buyer-side market power?
 - Topic 2 – What are different approaches to accommodate state public policy?
 - Topic 3 – What are appropriate approaches to accommodate self-supply?
 - Topic 4 – What should be the scope and reach of the new MOPR?
 - Topic 5 – What are the appropriate processes to administer the new MOPR?
 - Topic 6 – What are the appropriate remedies when buyer-side market power is identified?

- Are there other topics and approaches that should be considered in developing a solution to address the Minimum Offer Price Rule and its future application in the capacity market?(Open text box)
