

DER & Inverter-Based Resources Subcommittee Monthly Progress Report

September 27, 2021

1. FERC Order 2222 / DER Aggregation

Issue Status

Updated draft compliance proposal issued by PJM staff in August / Ongoing stakeholder discussions

Target Completion

Compliance filing due February 1, 2022

Progress Update

- PJM staff presented updates to the DER aggregation straw proposal in August.
- PJM staff plans to finalize the compliance proposal in October and begin drafting and reviewing Tariff language with stakeholders.

Action Requested (if necessary)

- Stakeholder feedback/presentations on the PJM draft proposal, including alternatives to consider in the compliance matrix. If your organization would like to provide input on the straw proposal and the updated Order 2222 compliance matrix and/or recommendations specific to the various directives within the Order, please contact the DIRS facilitation team.
