

Reactive Power Compensation Task Force Monthly Progress Report

01/07/2022

Reactive Rate Process

<https://cera.pjm.com/otcs/cs.exe/Overview/225193061>

Completed all planned education and moving into the CBIR process.

Target Completion

The expected completion date of this task force is May 2022

Progress Update

January 7 meeting:

Reviewed the PJM comments to the Notice of Inquiry (Docket No. RM22-2-000), Continued education on reactive power compensation with presentations by IMM and Dominion, and Review of the CBIR process.

Planned for February 7 meeting:

- Review and continue documenting interests in the matrix
- Review and continue documenting design components and status quo, complete a priority ranking, and begin brainstorming options.

Action Requested (if necessary)

Stakeholders asked to submit interests, design components and options in advance of the February meeting and come prepared to discuss.
