

Regulation Market Design Monthly Progress Report

6/27/22

1. [Regulation Market Design](#)

Issue Status

The RMDSTF completed education and is currently developing design components and reviewing status quo.

Target Completion

March 2023

Progress Update

The RMDSTF spent the April and May meetings covering multiple education topics. The group also completed interest identification and began developing design components.

The June meeting will continue developing design components, their priorities, and reviewing status quo.

Action Requested (if necessary)

Stakeholders should be prepared to offer design components, if desired.
