

Tech Change Forum Report

MC Webinar
March 2023

The Tech Change Forum is a group for PJM and its members to coordinate, consolidate and share information about upcoming changes to PJM Tools and applications.

The forum is for individuals who work hands-on or are responsible for their organizations technology used for PJM Tools and applications.

The purpose of the meetings are to:

- Help members prepare for planned changes
- Review the design of tool features
- Share prioritization and timing of when changes will be implemented

Stakeholders are asked to review Tech Change Forum materials with their IT teams and vendors to prepare for upcoming PJM changes
