<ul style="list-style-type: none"> <li>- Annual Review</li> <li>- Add clarity to PJM’s Systematic Approach to Training</li> <li>- Add clarity to Member Training &amp; PJM Certification requirements (change)</li> </ul>	
<b>Summary of the changes:</b>	
<p>The overall manual updates provide additional clarity to various concepts, roles and responsibilities associated with PJM’s Systematic Approach to training. Additional changes include updates to the Member Training &amp; PJM Certification Requirements (Term of Certification) and terminology related to Operator titles within PJM to maintain consistency with NERC definitions. Updated Operator terminology also includes request for change from the Dispatcher Training Subcommittee Members.</p>
