

# System Restoration Coordinators Subcommittee: Request to Sunset

Brian Lynn  
PJM Restoration Drill Coordinator +  
Sr. Trainer  
Operating Committee  
January 13, 2021

- PJM acknowledges all SRCS listed responsibilities are important
  - All will continue to be/are supported by other groups
  - Reduce duplicative work and meetings
- SRCS Timeline Summary
  - Previously uniquely addressed listed responsibilities
  - Team member/participant evolution
  - Where it stands today

1. Administer, coordinate, and debrief restoration drills conducted within the RTO footprint
2. Serve as point for System Restoration related issues, to include recommendations for changes to M36
3. Conduct an annual review of each member company's Restoration Manual

- DTS
  - Drill Organization (1)
- SOS
  - Sys Res issues + M36 changes (2)
- PJM Dept: Transmission Operations
  - Annual restoration manual review (3)

- DTS
  - While no actions are required, an explicit bullet will be added in the next Charter update
- SOS
  - None
- PJM Dept: Transmission Operations
  - None
