

Interconnection Process Reform Issue Charge

Issue Source

PJM and Stakeholders.

Issue Content

This issue charge is intended to address issues identified as a result of the Interconnection Process Workshops. See problem statement for further details.

Key Work Activities and Scope

(Provide a numbered list of high level work activities that the assigned stakeholder group will need to perform to accomplish its work in resolving the issue. Identify any areas of activity specifically intended and not intended to be addressed.)

The scope of work will focus on the prioritized list of issues identified by stakeholders at the Planning Committee Interconnection Workshops. Included in this issue charge scope will be these objectives:

1. Interconnection studies
2. Cost responsibilities
3. Interim operation and agreements
4. New Service Request requirements, requirements to proceed through the process and rules around project modifications
5. Opportunities that can reduce the interconnection queue backlog

Items not covered in this issue charge scope include these items:

1. CSA auto-termination / Superseding CSAs – proposed handling through Quick Fix process beginning with March PC meeting
2. Deficiency review timelines - proposed handling through Quick Fix process beginning with March PC meeting

Expected Deliverables

(Provide a numbered list of high level deliverables that the assigned stakeholder group will produce as a result of its work including analyses, reports, manual changes, governing document revisions, and FERC filings.)

1. Education as needed concerning items identified in the scope of work.
2. Proposed revisions to PJM's Tariff, resulting in a FERC filing; and
3. Proposed revisions to PJM Business Practice Manuals.

Decision-Making Method

Identify the decision-making method adopted for this issue: Tier 1, consensus.

Stakeholder Group Assignment

For discussion with stakeholders: Task Force reporting to the Planning Committee or Special Sessions of the Planning Committee.

Expected Duration of Work Timeline
