

Generator Deliverability Test Modifications Status Update

- PJM provided a full education session of the new proposal accompanied by analytical results comparing the status quo approach to the new approach at the 2/23/2022 special PC session “CIRs for ELCC Resources”
- PJM has scheduled an additional special PC session on 3/4/2022 to address questions
- A final special PC session will be scheduled on March 30 prior to bringing to a first read in April

Revised Review and Approval Timeline
