

Anyone attending PJM-sponsored meetings, trainings or events in person must be fully vaccinated.

- Fully vaccinated means two weeks after receiving the second dose in a two-dose series or two weeks after receiving a single-dose vaccine.
- Booster shots are not required per CDC guidance.

Individuals without proof of vaccination will be turned away.

- **In-person attendees must register in advance** of meetings. Please visit the *PJM Meeting Center* to register for meetings individually. Remote participation remains an option for all PJM meetings.
- **Stay home if you are not feeling well** or experiencing any COVID-19 symptoms.
- **Arrive at the meeting location one-hour prior** to the meeting's start to allow time to check in.
- **Proof of COVID-19 vaccination and a valid government-issued ID*** must be presented at the PJM security desk.
- **Masking is not currently required indoors.** (Attendees must agree to adhere to applicable PJM and local COVID-19 policies in effect at the time of the event.)

* **Once you have provided proof of vaccination** to attend an in-person meeting at PJM, you will not need to do so again.
