

Winter Weather Credit/Risk Management Problem Statement / Issue Charge Update

Lisa Drauschak
VP, CFO and Treasurer
Risk Management Committee
July 27, 2021

- After considering feedback from the June 22 RMC, PJM will provide additional education prior to seeking issue charge approval related to winter weather lessons learned
- This education will seek to address questions that have arisen in prior discussions of this issue charge at the RMC
- After education, PJM expects to advance one or more issue charge(s) to address specific topics related to credit and risk management

1. Existing credit and risk management tools/mechanisms (provided at May 25, 2021 RMC)
2. Feedback and lessons learned from PJM and other ISO/RTOs from winter 2021 events related to credit and risk
3. Analysis regarding impacts to PJM Membership if Winter 2021 events took place in the PJM footprint
