

Order No. 1920: Compliance Procedures

Asya Staevska, Senior Counsel

Special TEAC – Order 1920
August 27, 2024

- **June 2025:** PJM must submit a compliance filing for all of the requirements adopted in the final rule, except those adopted in the Interregional Transmission Coordination section.
 - PJM must propose a date, no later than June 2026, on which it will commence the first LTRT Planning cycle (can ask for an extension to align with other planning processes)
- **August 2025:** PJM must submit an interregional compliance filing revising its governing documents and other document(s) subject to the Commission's jurisdiction as necessary to demonstrate that it meets the interregional transmission coordination requirements adopted in the final rule.
- Deviations from the requirements of the final rule should be **consistent with or superior to** the requirements of the final rule; FERC rejected proposals to use an independent entity variation.
