

General Updates

Jim Gluck
May 21, 2019

- 5/14 0900 – 1030 – Multiple applications unavailable due to an issue during network infrastructure maintenance. User access redirected to alternate site. Change backed out.
- 4/28 2130 – 0100 – Verizon outage impacted some members' ability to contact Dispatch on 88xx lines.

Why

- PJM is still updating its tools and websites
- Security changes were made to PJM.com which **require IE 9** or later
- Microsoft **discontinued support** of their browser prior to **IE11**

What

- PJM recommends **Chrome** as the default browser
- Current versions of **Chrome, Firefox, Safari and Edge** will be supported for refreshed tools and websites
- PJM tools and websites will support **IE 9** and above until December 31, 2019.
 - OASIS and MSRS require **IE**
 - Non-upgraded tools will still support **IE 11** until they are upgraded.

PJM's System Requirements can be found at:
<https://www.pjm.com/markets-and-operations/etools/system-requirements.aspx>

- Received feedback on current subscription tool and communications
- Replacement of subscription tool targeted for September
- Full detail review starting in June at committee meetings
- Stakeholders interested in participating in the pilot group should contact TechChangeForum@pjm.com
