Product Details

[Account Manager](#) is used to create accounts and request and grant access to PJM's tools and website.

Key Product Features

- Grants access to PJM Tools
- Member CAMs can determine and regulate access for their respective companies

[Bulletin Board](#) facilitates power contracting activity.

Key Product Features

- Provides users with access to a larger pool of buyers and sellers of contracts for electric power.
- Allows users to view, post and modify requests to buy or offers to sell power.

[Data Viewer](#) allows users to view operational and market data graphically

Key Product Features

- Display real-time LMPs, IT SCED forecasted LMPs, Dispatch Rate, etc.
- Customizable data plots and graphs

[eDataFeed](#) is a web service that allows subscribers to select and “stream” PJM locational marginal price data, as well as some operational data directly into their system. eDataFeed delivers information in a format called Simple Object Access Protocol (SOAP) that enables data capture, analysis and decision support to meet the trading, risk management and business decisions of PJM’s members (customers).

Key Product Features

- Allows for automated data retrieval

[Messages](#) provides updates and important messages regarding PJM tools.

Key Product Features

- Used by members to view updates and important messages regarding PJM tools.

[Resource Tracker](#) provides generation owners a single view of generator ownership information as recorded across various PJM applications.

Key Product Features

- Single point mechanism for generator ownership information
 - Ownership changes
 - Energy, Capacity and Ancillary Service Ownership
 - Bidding Company
 - Dispatching Company
- Annual confirmation period

[Voting](#) facilitates voting at the Markets and Reliability Committee and Members Committee meetings.

Key Product Features

- Facilitates voting at the Markets and Reliability Committee and Members Committee meetings
- Vote tallying and reporting, the tool also allows both on-site and remote meeting attendees to cast votes for agenda items presented to the membership for voting
