Why

- PJM is still updating its tools and websites
- Security changes were made to PJM.com which **require IE 9** or later
- Microsoft **discontinued support** of their browser prior to **IE11**

What

- PJM recommends **Chrome** as the default browser
- Current versions of **Chrome, Firefox, Safari and Edge** will be supported for refreshed tools and websites
- PJM tools and websites will support **IE 9** and above until December 31, 2019.
 - MSRS requires **IE**
 - Non-upgraded tools will still support **IE 11** until they are upgraded.
