Implement a Train environment for PJM Connect	August 2021	PJM Connect Users

Legend

- Start Date
- ◆ End Date

Cumulative Update

- The cumulative update enhances overall security and reliability.
- The update is planned for May.
- The update will be performed during a 2-3 hour change window and intermittent outages are expected.

Train Environment

In alignment with other PJM Tools, a Train environment is being developed to allow users to safely test bug fixes, enhancements and upgrades in an external environment without negatively impacting production operations.
