

Roster & Distribution List

Distributed Energy Resources
Subcommittee

July 30, 2018

- There are two lists: the Roster and the Distribution List
- PJM is in the process of transitioning to the Voting App, which requires placement on the Roster
 - The DERS upcoming vote on the Non-Wholesale DER proposal will still be through Survey Monkey
- The Distribution List is who gets emails from the DERS facilitation team (meeting materials, polling information, etc)

Distributed Energy Resources Subcommittee

The Distributed Energy Resources Subcommittee is an ongoing subcommittee established by the [Markets and Reliability Committee](#) on December 7, 2017. Its purpose is to investigate and resolve issues and procedures associated with markets, operations, and planning related to distributed energy resources in accordance with existing or new PJM process protocols. For the purposes of this subcommittee, a Distributed Energy Resource (DER) is defined as any generation or electric energy storage resource connected to the distribution system and/or behind a load meter.
