DR Training Survey

Andrea Yeaton
Demand Response Subcommittee
April 24, 2019
• Demand Response has gone through a lot of changes in the past few years
  – Products introduced and retired
  – Capacity Performance
  – M&V changes
  – New DR Hub system
• Time to do a comprehensive review of training material and courses that are offered to make sure they’re up-to-date and meet the needs of our members
• Need input from members
• Survey topics:
  – **Format** – just theory, how/where to accomplish task, hands-on DR Hub exercises, hands-on calculations
  – **Length** – 2 hour chunks by Webex, all day class in person, 2 day class in person
  – **Content** – Load Management, Economic, Ancillary Services, Other
  – **Continuing Education Hours** (CEH)
  – Value of **CSP certification**
Survey Timeline

- Survey sent out to Members on April 5, 2019
- Click here for Survey [Demand Response Training Survey]

Responses due by March 30, 2019 (next week!)
Survey Results to Date

• Who responded: about 1/3 each of CSPs, EDCs and LSEs; majority have operational role
• Format: in-person training not very useful
• Length: ½ day is most popular
• Content of Training and how often: Load Management, Economic and Ancillary Services all beneficial, offered once or twice per year
• Continuing Education Credits? ½ say yes
• CSP Certification exam? Majority say yes
• Lots of suggestions and comments – thank you!!
