

# Proposal to Consolidate DRS and DIRS into one Subcommittee

DRS

9/2/22

Pete Langbein

- Consolidate the scope of the DIRS and DRS into a single subcommittee reporting to the MIC
- + Considerable stakeholder and substance overlap between demand response participation and Order 2222 (DER Aggregation)
- + PJM staff and stakeholder resource efficiency

- Sunset DRS and DIRS;
- Create new subcommittee whose charter encompasses the scope of both groups.
