6. Upcoming Training Items (9:15 – 9:30)

PCLLRW – Tool Changes

Doug Guignet, PJM, provided the DTS with an update related to the implementation of the Voltage Dfax enhancement to the PCLLRW tool. The date for implementation is still pending. Updates will be provided to this group as the date nears. For questions or additional information, please contact Douglas.Guignet@pjm.com.

PJM Generation Certification Exam Update

The Exam Working Group (EWG) is finalizing a survey that will be sent to all generation certified dispatchers. This survey will help guide the update of the generation exam later this year. For questions related to the generation certification exam, please contact Rebecca.Gerber@pjm.com.

PJM Transmission Certification Exam Update

PJM provided the DTS with an update on the PJM Transmission Owner Operator Certification exam. The new exam will be available beginning August 1, 2018. During August and September, the exam will be available without instant scoring. The exam will be unavailable during the month of October, while the new exam is validated and the cut-score is determined.

The updated content outline and reference material are available on the PJM website. Questions related to the PJM Transmission exam may be sent to: Michael.Hoke@pjm.com.

2018 Annual Review of Opt-Outs

PJM conducted the annual review of the Transmission Owner task opt-outs. The current opt-outs were reviewed with the applicable companies and PJM operations leadership. The 2018 review is complete; no new opt-outs were identified.

Train-the-Trainer – Needs Analysis

Planning is underway for the 2018 Train-the-Trainer. The DTS was asked to provide any feedback or suggestions for this year's program. For questions or topic suggestions, please contact Maureen.Curley@pjm.com.

Antitrust:

You may not discuss any topics that violate, or that might appear to violate, the antitrust laws including but not limited to agreements between or among competitors regarding prices, bid and offer practices, availability of service, product design, terms of sale, division of markets, allocation of customers or any other activity that might unreasonably restrain competition. If any of these items are discussed the chair will re-direct the conversation. If the conversation still persists, parties will be asked to leave the meeting or the meeting will be adjourned.

Code of Conduct:

As a mandatory condition of attendance at today's meeting, attendees agree to adhere to the PJM Code of Conduct as detailed in PJM Manual M-34 section 4.5, including, but not limited to, participants' responsibilities and rules regarding the dissemination of meeting discussion and materials.

Public Meetings/Media Participation:

Unless otherwise noted, PJM stakeholder meetings are open to the public and to members of the media. Members of the media are asked to announce their attendance at all PJM stakeholder meetings at the beginning of the meeting or at the point they join a meeting already in progress. Members of the Media are reminded that speakers at PJM meetings cannot be quoted without explicit permission from the speaker. PJM Members are reminded that "detailed transcriptional meeting notes" and white board notes from "brainstorming sessions" shall not be disseminated. Stakeholders are also not allowed to create audio, video or online recordings of PJM meetings. PJM may create audio, video or online recordings of stakeholder meetings for internal and training purposes, and your participation at such meetings indicates your consent to the same.

Participant Identification in WebEx:
