

**Governing Document Enhancement & Clarification Subcommittee
Conference and Training Center & WebEx
October 2, 2015
9:00 a.m. – 4:00 p.m. EST**

Administration

Ms. Janell Fabiano opened the meeting and reviewed the agenda. No changes were made to the agenda.

Mr. Rami Dirani, performed roll call. The meeting minutes from the July 24th, 2015 meeting was approved.

GDECS Startup Logistics

Ms. Janell Fabiano presented the Governing Document Enhancement and Clarification Subcommittee draft charter. Ms. Fabiano explained that the group formerly known as the “Tariff Harmonization Senior Task Force” has been converted over to a subcommittee and will now be known as “The Governing Document Enhancement and Clarification subcommittee” (GDECS). This change is a result of the approval of the Markets Related Governing Document [problem statement](#) that was presented at the Markets and Reliability Committee on July 23, 2015. Its mission is to address inconsistencies, and any confusing, ambiguous and inaccurate provisions in PJM's governing documents. There were no objections to the draft charter as presented. A 1st read of the draft charter will be presented at the October 22nd, 2015 Markets and Reliability Committee.

RPM – Tariff Changes

Ms. Jennifer Tribulski, PJM, presented tariff changes related to RPM. PJM plans to file a modification to its Tariff to allow it to release excess capacity obtained as a result of the Capacity Performance Transitional Incremental Auctions for the 2016/2017 and 2017/2018 Delivery Years. PJM may seek to first make the changes for 2016/2017 and later determine the manner in which it seeks to address 2017/2018. PJM would need to change in effect in time for the third Incremental Auction for the 016/2017 Delivery Year, which will occur in February 2016.

Governing Documents

Mr. Vince Duane, PJM, reviewed the status of the Limitation of Liability and Indemnification provisions.

Ms. Harhai presented proposed changes made to Alternative Dispute Resolution. A poll will be administered to gauge consensus on the topic prior to the October 23rd, 2015 GDECS meeting. A possible 1st read will occur at the November 19, 2015 Markets and Reliability Committee.

Markets Governing Documents Clean-Up

Mss. Jacqui Huges and Jen Tribulski and Messrs. Steven Shparber and Jim Burlew, PJM, presented updates/proposed changes made to various market related topics.

All market related clean-ups that were presented can be found under the October 2, 2015 Governing Document Enhancement and Clarification Subcommittee meeting date.
