

Readiness Updates

October 2023 IPS

Michelle Farhat
Engineer
Interconnection Planning Projects

Queue	In Review	Approved	Withdrawn	Total
AE1	0	11	6	17
AE2	1	48	5	54
AF1	0	92	20	112
AF2	73	108	27	208
AG1	226	57	60	343
Total	300	316	118	734

Note: statistics as of 10/24/23

- When addressing comments in Queue Point (QP), you must remove and re-add entire updated package
- If you have a clarifying question, ask as soon as possible
- QP is our database. In order for everyone to review new materials, they must be uploaded to QP
- Keep in mind: if your project goes into TC1, what's provided now will be re-reviewed at DP1
