Administration (9:00-9:10)

1. The Agenda for this meeting was approved without comment.
2. The draft minutes from the July 2, 2024 SOS Joint Meeting was approved without comment.

Security Update (9:10-9:15)

3. Joe Callis provided a security briefing.

Review of Operations (9:15-9:20)

4. Kevin Hatch provided an update of System Operations in July. PJM and its members experienced 8 Shared Reserve Events, 19 PCLLRW Events, 1 Non-Market PCLLRW Event, 8 Hot Weather Alert Events, 3 Synchronized Reserve Events, and 1 Maintenance Outage Recall Event.

Tools (9:20-9:25)

5. Craig Lowe provided an update on the latest and upcoming eDART release.
 - a. An eDART release is expected for next week August 6, 2024, delayed due to a hot weather alert. The updates includes the Transmission Facility Outages list to changes to submit on-time rules when transmission tickets are uncanceled, enhancements to send email notification of approved restoration plans, and API automatic equipment selection.
 - b. The release in late August will clean up legacy code post eDART SSO migration and internal administrative and backend changes.
 - c. FERC Order 881 compliance is due July 2025. Expecting a production release to support 881 by Q2 of 2025 in production.

Dispatcher Training Subcommittee Items (9:25-9:30)

6. Michael Hoke provided an update on items discussed during the last DTS meeting.
 - a. The draft training plan for 2024 can be found here: <https://www.pjm.com/-/media/training/2024-draft-training-plan.ashx>.
 - b. Certificate update – DTS is looking for generation exam working group volunteers to start process to update exam.

Regional Standards, NAESB, and Compliance Update (9:30-9:35)

7. Gizella Mali provided an update on standards and compliance and address any ongoing member issues regarding NERC/RF.

Antitrust:

You may not discuss any topics that violate, or that might appear to violate, the antitrust laws including but not limited to agreements between or among competitors regarding prices, bid and offer practices, availability of service, product design, terms of sale, division of markets, allocation of customers or any other activity that might unreasonably restrain competition. If any of these items are discussed the chair will re-direct the conversation. If the conversation still persists, parties will be asked to leave the meeting or the meeting will be adjourned.

Code of Conduct:

As a mandatory condition of attendance at today's meeting, attendees agree to adhere to the Code of Conduct as detailed in PJM Manual M-34 section 4.5, including, but not limited to, participants' responsibilities and rules regarding the dissemination of meeting discussion and materials. Expectations for participating in PJM activities are further detailed in the [PJM Code of Conduct](#).

Public Meetings/Media Participation:

Unless otherwise noted, PJM stakeholder meetings are open to the public and to members of the media. Members of the media are asked to announce their attendance at all PJM stakeholder meetings at the beginning of the meeting or at the point they join a meeting already in progress. Members of the Media are reminded that speakers at PJM meetings cannot be quoted without explicit permission from the speaker. PJM Members are reminded that "detailed transcriptional meeting notes" and white board notes from "brainstorming sessions" shall not be disseminated. Stakeholders are also not allowed to create audio, video or online recordings of PJM meetings. PJM may create audio, video or online recordings of stakeholder meetings for internal and training purposes, and your participation at such meetings indicates your consent to the same.

Participant Identification in Webex:

When logging into the Webex desktop client, please enter your real first and last name as well as a valid email address. Be sure to select the "call me" option. PJM support staff continuously monitors Webex connections during stakeholder meetings. Anonymous users or those using false usernames or emails will be dropped from the teleconference.

Participant Use of Webex Chat:

The use of the Webex chat feature during meetings shall be primarily reserved for administrative and logistical purposes, such as managing a question or comment queue, noting technical difficulties, and meeting support or management purposes. Utilizing Webex chat for any other commentary should be limited to short phrases. Detailed commentary or substantive dialogue shall be shared orally by entering the speaker queue.
