## Lead Times and Dispatchable Range

Joe Ciabattoni  
Markets Coordination Department  
July 2013

- **Notification Time** – Varies and reflects staffing
  - DSR 1 and 2 hours
- **Start-Up Time** – Typically 6 minutes to 4 hour depending on the unit type
- **Min Run Time** – 30 minutes to 4 hours depending on the unit type
  - DSR 2 hour min run

- Most units have a **Dispatchable Range**
  - Econ Min  $\neq$  Econ Max
- Units will follow dispatch Lambda or **Base Point**
- Unit **Base Points** are sent from PJM's **SCED** System (Security Constrained Economic Dispatch)
- A new Base Point is send (on average) every 5 minutes
- DSR small Dispatchable Range
