2. Guideline Review

Ms. Susan McGill provided an overview of the DERRTF and its history. She reviewed the intent of the whitepaper and where the document will be posted on PJM.com. Mr. Eric Hsai discussed the Manual 14D updates that will add language to point to the whitepaper and the process by which it will be taken through the Operating Committee (OC). The only edit of the whitepaper was adding that any time within range of adjustment is acceptable for the default trip clearing times. PJM asked for any additional feedback by September 20, 2019.

Ms. Susan McGill explained upon finalizing the whitepaper it would be taken to the System Operations Subcommittee (SOS) and OC in October and to the Planning Committee (PC) in October as well. PJM proposed canceling the December DERRTF meeting and converting the October and November meetings to WebEx only. There were no objections to this proposal.
