

Energy Market Uplift Senior Task Force
PJM Conference and Training Center
June 23, 2015
9:00 a.m. – 12:00 p.m. EPT

Administration

1. Mr. Dave Anders opened the meeting and reviewed the agenda.
2. Ms. Cheryl Mae Velasco performed roll call, reviewed the meeting guidelines, and reviewed the draft meeting minutes. Minutes were approved and will be posted as final.

PJM Website Update

Ms. Tawnya Luna provided an update on improvements being made to the pjm.com website.

Review Open Action Items

Mr. Anders reviewed the remaining open action items from Phases 1 and 2. No further updates were made.

Review of Backcasting of Rates Analysis

Mr. Brian Weathers reviewed the results of the backcasting of rates analysis. The analysis did not change the bidding behaviors, and the analysis was done on the proposals as they stood. The data used for the analysis will be posted for members to perform their own analysis.

Next Steps

Members will have an opportunity to make any last modifications to existing packages. Changes will be reviewed at the next scheduled meeting. It was suggested that the next meeting be delayed by at least a month in order to assess the impact of Capacity Performance on any of the proposals. Another suggestion was to delay the next meeting until after 206 filing is issued which is expected in late October. It was decided that the group would report to the MRC and recommend that the task force go on a hiatus until FERC order is filed.
