

# Reactive Capability Notice of Inquiry (RM22-2-000)

Thomas DeVita  
Assistant General Counsel  
Office of the General Counsel  
Reactive Power Compensation Task Force  
December 3, 2021

## THREE KEY ISSUES:

### AEP Methodology

- “Degradation”
- Non-synchronous
- Verification
- Over-compensation (PJM capacity market)

### Alternative Methodologies

- Flat rate? (NYISO/ISO-NE)
- Replacement cost rate?
- Capacity Market?

### Distribution-Connected Resource Eligibility
