

PJM Outage Acceleration Program
Outages Scheduled for May 2019

There are two outages scheduled to begin in May 2019 that exceed five days in duration and are projected to result in \$500,000 or more of FTR revenue inadequacy. The outages below are eligible for the PJM Outage Acceleration Program. Market participants have until the end of 3/22/2019 to submit a request for acceleration.

Ticket	Zone	Start Date	End Date	Volt	Equipment
768360	PN	5/20/2019 08:00	5/31/2019 20:00	115 kV	SHADEGAP-THREESPR 1062
734649	AEP	5/1/2019 07:00	5/31/2019 16:00	345 kV	COOK-EELKHART

The projected revenue inadequacy does not consider the impact of operating actions that have not yet been identified but may be developed and employed to reduce the required off cost generation during the above outages. Market participants may submit a request for acceleration to the PJM Outage Acceleration e-mail distribution list address: outage_acceleration_group2@pjm.com or call 610-666-4342.
