      ER17-406-000

Dear Secretary Bose:

The Annual Update attached hereto has been submitted to PJM for posting on its website at:

A copy of this notice of such posting was provided to PJM, PJM customers, and the parties in this docket, and to all affected state commissions of May 25, 2017.

The 2016 True-Up calculates the actual transmission revenue requirements for the 2016 Rate Year. The 2016 True-Up contains no expenses or costs that have been
alleged or judged in any administrative or judicial proceeding to be illegal, duplicative, or unnecessary costs that are demonstrably the product of discriminatory employment practices, as defined in 18 C.F.R. § 35.13(b)(7). In addition, the AEP East Transmission Companies have made no material changes in their accounting policies and practices from those in effect during the previous Rate Year and upon which the current rate is based.

AEP will host a webinar and teleconference meeting from 3:00 p.m. to 5:00 p.m., (EST) on June 23, 2017, to afford interested parties the opportunity to discuss the Annual Update. Information regarding this meeting will be available at:
