## **ERRATA**

**To: Parties to FERC Docket No. ER15-303**

**Re: American Transmission Systems, Incorporated  
PJM Open Access Transmission Tariff, Attachment H-21  
Projected Transmission Revenue Requirement for Rate Year 2019**

Pursuant to section II.D of the Formula Rate Implementation Protocols (“Protocols”) set forth in Attachment H-21B of the PJM Open Access Transmission Tariff (“PJM OATT”),<sup>1</sup> American Transmission Systems, Incorporated (“ATSI”) is submitting a Projected Transmission Revenue Requirement for Rate Year 2019 (“2019 PTRR”) to PJM for posting.

**ERRATA:** On October 15, 2018, ATSI posted a PTRR that contained a minor inadvertent error that resulted in: (1) Line 6b of Page 1 (True-up Adjustment With Interest) being overstated by \$208,584 and (2) Line 5a of Page 1 (Legacy MTEP Credit) being understated by \$79. The net effect of correcting this error was to reduce Line 7 of Page 1 (Net Revenue Requirement) by \$208,663, thus reducing Line 16 of Page 1 (Annual Network Rate) by \$16.27; Lines 17 to 21 of Page 1 (Point-To-Point Rates) were also reduced accordingly.

The 2019 PTRR was developed pursuant to the ATSI formula rate as set forth in Attachment H-21 of the PJM OATT. ATSI has asked PJM to post a copy of the 2019 PTRR to the formula rates section of its internet site, located at:

<http://www.pjm.com/markets-and-operations/billing-settlements-and-credit/formula-rates.aspx>

A copy of the updated 2019 PTRR is attached.

Pursuant to section II.I of the Protocols, ATSI shall hold an open meeting among Interested Parties (“Annual Projected Rate Meeting”) no earlier than ten (10) business days following this posting and no later than November 15. No fewer than seven (7) days prior

---

<sup>1</sup> PJM Interconnection, L.L.C., FERC Electric Tariff, Sixth Revised Volume No. 1.

to such Annual Projected Rate Meeting, ATSI shall provide notice on PJM's website of the time, date, and webcast registration information of the Annual Projected Rate Meeting.
