

EKPC Approved Contractors
Revised 7/20/2022

Substation Engineering & Design

Booth & Associates
Burns & McDonnell
Commonwealth Associates
EN Engineering
Power Consulting Associates (PCA)
Power Engineers Inc.
Power Grid
Sargent & Lundy
Stanley Consultants
Ulteig Engineers

Transmission-Line Engineering & Design

Adams Engineering
Booth & Associates
Burns & McDonnell
Commonwealth Associates
EN Engineering
Power Consulting Associates (PCA)
Power Engineers Inc.
Sargent & Lundy
SR Consulting Group
Stanley Consultants
Ulteig Engineers

Substation Construction

5-Star Electric
Aubrey Silvey Enterprises
Davis H. Elliott (DHE)
Doss & Horky
Great Southwestern
L.E. Myers
New River Electrical Corp.
Pike Electric
R&R Electric Company

Transmission-Line Construction

B&B Electric
CW Wright
Davis H. Elliott (DHE)
Great Southwestern Construction
Groves Construction
Hydaker Wheatlake
L.E. Myers
Michels
New River Electrical Corp.

Pike Electric
Southeast Power Corporation
T&D Solutions

Grading/Site Preparation/Access Roads

Allen Co.
ASL
BMC
JDH

**Protection and Control Engineering Design, Field Testing, and
Commissioning**

Burns and McDonnell
Power Grid Engineering
SEL Engineering Services

Telecom Contractors

AllState Tower, Inc.
Advance Wireless Solutions
Black & McDonald (B&B Electric)
Cell Site Solutions
LightRiver Technologies
Steve's Tower Service
Team Fishel
Utility Telecom Consulting Group
Vertical Structures

Major Equipment Testing

CE Power
High Voltage Maintenance
Premier Power Maintenance

Major Equipment Suppliers

Transformers

ABB (South Boston, VA – distribution autotransformers only)
Delta Star (San Carlos, CA and Lynchburg, VA plants only)
Pennsylvania Transformer (Canonsburg, PA plant only)
SPX Waukesha (Waukesha, WI plant only)

Circuit Breakers

GE-Alstom – 69kV
MEPPI – 138kV and above

Control Houses

AZZ Atkinson
Trachte
Modular Connections

Panelmatic
VFP

Relay Panels

Electrical Power Products (EP²)
Schweitzer Engineering Laboratories (SEL)

Systems Control
Panelmatic

Protective Relays
SEL

Instrument Transformers
ABB
Arteche
Trench
Ritz
