June 17, 2022

Honorable Kimberly D. Bose
Secretary
Federal Energy Regulatory Commission
888 First Street, N.E., Room 1A
Washington, D.C. 20426

Re:  *PJM Interconnection, L.L.C., Docket No. ER22- 2145-000 (Tariff)*
     *PJM Interconnection, L.L.C., Docket No. ER22- 2146-000 (CTOA)*
Revisions to PJM Open Access Transmission Tariff, Reliability Assurance Agreement and Consolidated Transmission Owners Agreement
On behalf of American Electric Power Services Corporation as Agent
for its PJM Member Affiliates

AEP-Liberty Utilities Transaction-Related Filing

Dear Ms. Bose:

Pursuant to Section 205 of the Federal Power Act, and the Commission’s Regulations, PJM Interconnection, L.L.C. (“PJM”) submits for filing proposed revisions to the PJM Open Access Transmission Tariff (“Tariff”), the Reliability Assurance Agreement Among Load Serving Entities in the PJM Agreement (“RAA”), and the Consolidated Transmissions Owners Agreement (“CTOA”), Rate Schedule No. 42, on behalf of American Electric Power Services Corporation (“AEP”) acting as agent for its PJM Member Affiliates necessary to accommodate the acquisition of by Liberty Utilities

---

1 16 U.S.C. § 824d.
2 18 C.F.R. Part 35.
3 Capitalized terms not otherwise defined herein have the meaning specified in, as applicable, the Tariff and the CTOA.
Co. ("Liberty" and, collectively with the Kentucky Companies, the "Parties") of all of the issued and outstanding common shares of the Kentucky Power Company ("Kentucky Power") and AEP Kentucky Transmission Company Inc. ("Kentucky Transco") (collectively the "Kentucky Companies") from American Electric Power Company, Inc. ("AEP") and AEP Transmission Company, LLC ("AEP TransCo") (the "Transaction").

The Parties intend for the proposed changes be effective on the date the Transaction closes. The Parties therefore have included a placeholder effective date in the eTariff metadata of this filing and propose to submit a further filing within 15 days of the closing date of the transaction, specifying the date of closing and thus, the date when the Tariff, RAA, and CTOA revisions submitted in this filing took effect. The Parties request that the Commission issue an order accepting the Tariff, RAA, and CTOA revisions effective as of the date of the closing. The Parties also respectfully request that the Commission waive both the 60-day and 120-day notice requirements in this proceeding to the extent necessary to allow the changes to the Tariff, RAA, and CTOA to become effective on the day that the Transaction is finalized. The Parties currently estimate that all needed regulatory approvals for the Transaction will be secured and the Transaction will close in mid-2022, and, therefore, request an order by July 31, 2022, to

---

facilitate an orderly closing.°

Specifically, PJM, files to amend the Tariff, RAA, and CTOA to update the references to AEP and its Affiliate companies to reflect the Transaction.°

I. BACKGROUND

A. AEP/Liberty Transaction

On October 26, 2021, American Electric Power Company, Inc. announced that it entered into an agreement to sell its Kentucky operations, including the Kentucky Companies, to Liberty, an indirect subsidiary of Algonquin Power & Utilities Corp. The parties are currently pursuing the necessary regulatory approvals for the Transaction.°

Under the Kentucky Order, several financial benefits will begin flowing to Kentucky Power’s retail customers only upon the closing of the transaction. Thus, as discussed above, AEP and Liberty are pursuing the necessary regulatory approvals in July 2022 to consummate the Transaction as soon as possible so that those benefits will not be delayed.

° In connection with the Transaction, the parties will sign all necessary agreements and consents to assign and/or amend service agreements impacted by the Transaction (e.g. Interconnection Service Agreements and Network Integration Transmission Service Agreements) and file and/or report such amended service agreements in compliance with FERC’s regulations.

° Due to eTariff restrictions the proposed revisions to the PJM Tariff and CTOA will be filed under separate cover using the same transmittal letter with specified attachments corresponding to each filing.

° On December 22, 2021, the parties submitted an application in Docket No. EC22-26 seeking authorization under Section 203 of the FPA for the disposition of jurisdictional facilities associated with the Transaction. That application is currently pending before the Commission. In addition, on May 4, 2022, the Public Service Commission of Kentucky issued an order on the Transaction under which “Liberty’s acquisition of Kentucky Power from AEP is approved subject to the modifications set forth in this Order.” See Electronic Joint Application of American Electric Power Company, Inc., Kentucky Power Company and Liberty Utilities Co. for Approval of the Transfer of Ownership and Control of Kentucky Power Company, Kentucky Public Service Commission, Case No. 2021-00481, Order (May 4, 2022) (“Kentucky Order”).
B. Kentucky Power and Kentucky Transco

Kentucky Power is a generation, distribution, and transmission utility that serves approximately 165,000 Kentucky customers. All of Kentucky Power’s (and Kentucky Transco’s) assets are within the PJM footprint and subject to PJM’s functional control. Kentucky TransCo owns and operates under the PJM Tariff transmission facilities located within Kentucky.

II. DESCRIPTION OF PROPOSED TARIFF, RAA, AND CTOA REVISIONS

PJM proposes to (i) revise Tariff, Attachment L; (ii) revise Tariff, Schedule 12-Appendix – 17; (iii) revise Tariff, Schedule 12-Appendix A – 17; (iv) add a new Tariff, Schedule 12-Appendix - 19; (v) add a new Tariff, Schedule 12-Appendix A - 31; (vi) revise RAA, Schedule 17; (vii) revise CTOA- Attachment A; and (viii) revise the CTOA signatures page as follows:

A. Tariff, Attachment L Revision

Tariff, Attachment L, List of Transmission Owners, provides a list of transmission owners in PJM. The proposed revisions eliminate Kentucky Transco and Kentucky Power from the list of AEP affiliate companies and lists the companies individually.

8 No proposed revisions to the definition of “New PJM Zone” are included herein as this term is only included in Schedule 13, which is no longer in use.
Kentucky Power Company
Kentucky Transmission Company, Inc.

Tariff, Schedule 12, Transmission Enhancement Charges, lists specific required Transmission Enhancements and identifies the Annual Revenue Requirement Responsible Customer(s). Tariff, Schedule 12-Appendix - 17 and Tariff, Schedule 12-Appendix A – 17 are specific to AEP. The proposed revisions eliminate Kentucky Transco and Kentucky Power from the list of AEP affiliate companies. Additionally, required Transmission Enhancements in Kentucky have been removed from Tariff, Schedule 12-Appendix – 17 and Tariff, Schedule 12-Appendix A – 17 and incorporated into a new Tariff, Schedule 12-Appendix 19 and Tariff, Schedule 12-Appendix – 31 for Kentucky Power and Kentucky Transco. Cost allocation for these Required Transmission Enhancements will remain unchanged. Additionally, this filing includes ministerial clerical revisions to Tariff, Schedule 12-Appendix A – 17 to ensure punctuation is consistent.

As explained above, the proposed revisions include a new proposed Tariff, Schedule 12-Appendix and Tariff, Schedule 12-Appendix A for Kentucky Power and Kentucky Transco. Required Transmission Enhancements in Kentucky have been
removed from Tariff, Schedule 12-Appendix – 17 and incorporated into the new Tariff, Schedule 12-Appendix - 19 and Tariff, Schedule 12-Appendix A - 31 for Kentucky Power and Kentucky Transco. Cost allocation for these Required Transmission Enhancements will remain unchanged.

**D. RAA, Schedule 17 Revisions**

RAA, Schedule 17 sets forth the parties to the RAA. The proposed revisions eliminate Kentucky Power from the list of AEP affiliate companies and lists the company separately.

American Electric Power Service Corporation on behalf of its affiliates:
Appalachian Power Company
Indiana Michigan Power Company
Kingsport Power Company
Ohio Power Company
Wheeling Power Company.

... Kentucky Municipal Energy Agency
Kentucky Power Company
Kiwi Energy NY LLC

**E. CTOA Attachment A Revisions**

CTOA, Attachment A lists the parties to the CTOA. The proposed revisions eliminate Kentucky Transco and Kentucky Power from the list of AEP affiliate

9 The description in Tariff, Schedule 12-Appendix for b1493 is revised as a cleanup to correct the incorrect spelling for “Grantston 138 kV line” to read “Grangston 138 kV line.”
companies and lists the companies individually.

Kentucky Power Company
Kentucky Transmission Company, Inc.

F. CTOA Signature Block Revisions

The proposed revisions to the signature blocks reflect the CTOA, Attachment A revisions (i.e., eliminating Kentucky Transco and Kentucky Power from the list of AEP affiliate companies and listing the companies individually).

IN WITNESS WHEREOF, the Parties and PJM have caused this Agreement to be executed by their duly authorized representatives.

Date: June 13, 2022
III. EFFECTIVE DATE

PJM requests a proposed effective date for the attached PJM Tariff, RAA and CTOA sections to be the date on which the Transaction is consummated, which has yet to be determined. Thus, a 12/31/9998 effective date is being used for eTariff purposes. To extent necessary, PJM requests waiver of the Commission’s notice requirements to allow these changes to become effective on the date of close. The parties to the Transaction expect the Transaction to close in mid-2022, and, therefore, request an order by July 31, 2022, to facilitate an orderly closing.

IV. DOCUMENTS ENCLOSED

Along with this transmittal letter, PJM submits the following attachments:

1. Attachment A – Marked Tariff – Redline revisions to PJM Tariff, RAA, and CTOA;
2. Attachment B – Clean Tariff – Clean format of PJM Tariff, RAA, and CTOA;
3. Attachment C – Signature blocks of CTOA.

V. CORRESPONDENCE AND COMMUNICATIONS

---

10 PJM proposes to inform the Commission of the consummation date through the filing of a Notice in eTariff under Filing Type Code 150 in this docket after consummation, so that the Commission can change the 12/31/9998 date to the appropriate effective date for the tariff record included herein.
VI. SERVICE

PJM has served a copy of this filing on all PJM Members and on all state utility regulatory commissions in the PJM Region by posting this filing electronically. In accordance with the Commission’s regulations,11 PJM will post a copy of this filing to the FERC filings section of its internet site, located at the following link: http://www.pjm.com/documents/ferc-manuals/ferc-filings.aspx with a specific link to the newly-filed document, and will send an e-mail on the same date as this filing to all PJM Members and all state utility regulatory commissions in the PJM Region12 alerting them this filing has been made by PJM and is available by following such link. If the document is not immediately available by using the referenced link, the document will be available through the referenced link within 24 hours of the filing. Also, a copy of this filing will be available on the FERC’s eLibrary website located at the following link: http://www.ferc.gov/docs-filing/elibrary.asp in accordance with the Commission’s regulations and Order No. 714.

Respectfully submitted,
