*Re: PJM Interconnection, L.L.C., Docket No. ER24-1469-00 2
Correction to eTariff Metadata - PJM Operating Agreement, Schedule 12 and RRA,
Schedule 17, Docket No. ER24-1469-001*

Dear Secretary Reese:

Pursuant to section 205 of the Federal Power Act,¹ and part 35 of the Federal Energy Regulatory Commission (“Commission”) regulations,² PJM Interconnection, L.L.C. (“PJM”)³ submits for filing a correction to certain metadata of proposed revisions to the Amended and Restated Operating Agreement of PJM Interconnection, L.L.C. (“Operating Agreement”), Schedule 12, and Reliability Assurance Agreement among Load Serving Entities in the PJM Region (“RAA”), Schedule 17 that were previously filed in Docket Nos. ER24-1469-000 and ER24-1469-001.⁴

On March 13, 2024, PJM submitted with the Commission, via eTariff, proposed revisions to Operating Agreement, Schedule 12, and RAA, Schedule 17, to update these lists to include new

¹ 16 U.S.C. § 824d.

² 18 C.F.R. part 35.

³ Capitalized terms not otherwise defined herein have the meaning specified in the PJM Operating Agreement, PJM Open Access Transmission Tariff, and PJM RAA, as appropriate.

⁴ *PJM Interconnection, L.L.C.*, Filing of Revisions to PJM Operating Agreement, Schedule 12 and RAA, Schedule 17, Docket No. ER24-1469-000 (March 13, 2024). *PJM Interconnection, L.L.C.*, Correction to eTariff Metadata - Filing of Revisions to PJM Operating Agreement, Schedule 12 and RAA, Schedule 17, Docket No. ER24-1469-001 (April 2, 2024).

members, remove withdrawn members, reflect the signatories to the RAA, and reflect Member corporate name changes for the fourth quarter of 2023.⁵

After the filing was submitted, a typographical error was noted in the eTariff metadata of eTariff record number 278, version 58.0.0, priority order 500 of RAA, Schedule 17 – Parties to the Reliability Assurance Agreement’s effective date. The effective date was inadvertently inputted as 12/1/2023 instead of 12/31/2023.

On April 2, 2024, PJM submitted a filing to correct its administrative eTariff metadata error however in doing so it rendered the requested January 1, 2024 version of the Operating Agreement, Schedule 12 section not effective and also inadvertently OBE’d the January 1, 2024 version of the RAA, Schedule 17. PJM submits this filing to correct its eTariff metadata error. This correction to the metadata does not otherwise change the previously filed proposed revisions to the Operating Agreement, Schedule 12 or RAA, Schedule 17.
