Reference: Tariff Section 7.3 Revisions

On October 21, 2021, PJM Interconnection LLC (PJM) submitted revisions to section 7.3 of its Open Access Transmission Tariff to align cure periods applicable to transmission customers' payment and credit defaults with the parallel provisions in section 15.1.5 of PJM's Amended and Restated Operating Agreement.¹ Pursuant to authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307 (2021), the submittal is accepted for filing, effective December 21, 2021, as requested.

The filing was publicly noticed, with interventions and protests due on or before November 12, 2021. Pursuant to Rule 214 of the Commission's regulations (18 C.F.R. § 385.214 (2021)), notices of intervention, timely-filed motions to intervene, and any unopposed motions to intervene out-of-time filed before the issuance date of this order are granted. Granting a late intervention at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties. No protests or adverse comments were filed.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed document(s); nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made
